NEW SMART meter

SMART 5 Function Digital MultiMeter

View, monitor, capture pictures & data all through your smart phone or tablet! Sperry's new SMART meter is the only smart digital MultiMeter that retails for under \$100 on the market today! It saves time and money by allowing you to trouble shoot and capture results. The SMART Meter sends data and images with date and time stamped readings and enables the owner to gain quotes without hassle or service calls; The test results can then be shared via email, text, picture, and to Excel. If multiple people are working on one job, the data is easily transferable amongst people. The problems can then be shown to the customer, foreman, and managers to ease explanation, gain trust and credibility.

- Functions as a traditional DMM & fully functional with a Smart Phone or Tablet
